Games are to be a minimum of 2 innings in length. If daylight allows and both coaches agree, the game may be extended.

The coach will pitch 8 pitches to their own batter. If after 8 pitches the batter has not put the ball into play, the tee will be brought out.

The coach may pitch from any distance they choose. Our goal is for every batter to be able to hit a pitched ball.

The defensive team will field a player in the pitcher position. The coach that is pitching will attempt not to get in the way of a batted ball.

All players in attendance will bat in a continuous rotation until the full lineup bats each half inning. All players may play a defensive position each inning. There is no limit to the amount of players on defense.

There are no outs at this level; even in the event the fielding team records an out.

Runners may only advance one base per at bat. Stealing base and lead offs are not allowed. Runner may not advance on an overthrow.

The last player to hit each half inning will round the bases for a "home run."

Players arriving after the start of the game will be added to the bottom of the batting order.

Players leaving the game for any reason will be skipped in the batting order without penalty.
